This package includes the Strata Council meeting minutes of April 5, 2018 and instructions to join Rent Cafe at no charge.

Hello Fellow Block Watchers:

While it appears that the perpetrator has been caught for the sexual assaults in the Whalley area, Block Watch would like to take this opportunity to remind residents to keep security uppermost in their minds. The women were grabbed outside their homes; dragged back into the house; and, sexually assaulted.

Here is a tip on how to report the prostitutes and their "friends" and get them moved along. Go online to the City of Surrey Bylaw complaint <http://www.surrey.ca/city-services/667.aspx> and register a complaint under "other" - the complaint is ("Regulation of Prostitution")

Regulatory Bylaw 2003 No. 15059 -Regulation of Prostitution

Numerous persons loitering on the street (105 Ave) between University Drive and 132 St. This is contrary to part 2 of the regulations.

There is also a place to report a noise complaint under the "Step 1" heading. Don't forget - the more complaints lodged, the more action we receive.

Please do not use the blockwatch1.249@gmail.com address as I am unable to use it anymore. Send all Block Watch info to: philippapowers@yahoo.ca. If you have sent an email to the gmail address, please resend to the new address as I cannot access it.

As you may have noticed, the trees on 107 Ave have been cut down in preparation of erecting the temporary modular housing. So far, the actual construction has not begun.
